

PROJECT: **Motorola Software Update Site - Preliminary Conceptual Mockup**

AUTHOR: Eric M. Scharf (Motorola Mobility, Inc.)

PM: Eric M. Scharf (Motorola Mobility, Inc.)

2011-09-19

INDEX:	Summary Page	page 01
	Location Selector	page 02
	Carrier Selector	page 03 - 04
	Device Selector	page 05 - 06
	Warranty Validation Requestor	page 07 - 08
	Registration Requestor	page 09 - 10
	Download Software Update Selector	page 11

VERSION NOTES: **Version 0.1 --**

- > **This document is a *pre-wireframe* conceptual mockup for the purpose of . . .**
 - identifying core features of the existing solution.
 - identifying critical UX gaps to address as part of the new solution.
 - presenting these findings to the assigned UX designer as the basis for the new solution.
- > **This document does NOT use *current* Motorola Voice graphical elements.**

[VIEW DEMO](#)

MINIMUM SYSTEM REQUIREMENTS

- A Motorola USB Cable
- Any of the following versions of Microsoft Windows:
 - XP, 32-bit only (with Service Pack 2 or later)
 - Vista (with Service Pack 1 or later)
 - Windows 7 (Service Pack 1)
- Microsoft .NET Framework version 2.0, 3.0, or 3.5. If you only have version 4.0, you need to also install one of the previous mentioned versions.
- At least 250MB of available hard drive space on your computer.
- OTA-enabled devices can bypass System Requirements.

[Press here to view Release Notes](#) to find out what is in the latest software available for your mobile device.

Your device may already contain the latest software available for your update. Motorola Software Update will notify you if an update is available once you download the update application and connect your device.

This update will delete all DRM protected media, including but not limited to, pictures, ringtones, and screensavers, Motorola Software Update can backup most personal data stored on your device's internal memory if you choose to preserve it during the update. However, some downloaded applications and custom settings cannot always be restored. All data stored on your SIM card or your removable memory card will be preserved.

I have read the above information regarding my personal data.
